Reviews [Be the first to write a review](#)

1. Listen Immediately:

Select the play button at the top right.

2. Save to Computer:

A little farther down, right click the blue text indicating the file size below "VBR MP3" and choose "Save File As" or "Save Link As" (depending on your browser). Once the MP3 file is saved you can copy it to your Phone, Portable Media Player, USB Stick, or use common CD Writing software to record to an Audio CD.
